Don't know why I'm in this book.
Books usually just have the cool sea creatures.

Nothing exciting happens around here and I don't really do much.

Especially since Sandra floated away in the undertow.

Well ... I should tell you a little bit about me, I suppose.

I'm named after a vegetable.

Or is a cucumber a fruit? Hmmm ...

Of course, I've never seen a cucumber.

But that's what I look like, apparently.

A cucumber lying on the bottom of the sea.
